**OWEN COUNTY SCHOOL DISTRICT
DISTRICT FACILITIES PLAN HEARING REPORT***

A public hearing was held at the Owen County High School Auditorium on September 1st, 2011, at 6:00 pm (local time). The purpose of the public hearing was to propose a new District Facility Plan developed by the Owen County Local Planning Committee. The Local Planning Committee (LPC) voted 16 - 0 in favor of the proposed new plan and the Board voted 5 - 0 to approve the new plan.

There were no attendees at the hearing exclusive of the hearing officer individual in attendance, Superintendent David Raleigh and High School Principal Danny Osborne. Roland Mueller, served as the locally-appointed hearing officer.

COMMENTS

Roland Mueller called the public hearing to order. The hearing officer outlined the purpose of the hearing and the hearing procedures in accordance with 702 KAR 1:001. It was explained that those persons wishing to speak would be given the opportunity and that written statements would be accepted. Because there were no attendees for the public hearing I waited 20 minutes for anyone to show up until 6:20 at which point I concluded the public hearing.

RECOMMENDATIONS

It is recommended that the new District Facility Plan developed by the Owen County Local Planning Committee and adopted by the Owen County Board of Education be approved as the District Facility Plan for the Owen County School District. A copy of the new plan is attached.
